ABOUT AN&ANGEL

LUXURY IN THE SHAPE OF A BOWL

Designed in Latvia

An&Angel designs and colours are inspired by Latvia's serene landscapes, reflecting the tranquil tones of its forests, lakes and coastlines, offering a true escape into untouched wilderness.

Distinctive and Unique

Their special, high-quality glass coating with a mirror effect seamlessly incorporates the surrounding environment into the object, becoming a signature of An&Angel. The bowls are mouth-blown from molten glass available in various colors.

Awards

An&Angel has received accolades like the prestigious Red Dot Design Award and the German Design Award.

Note: Variations in color and artwork are natural evidence of the handmade production process, making each product unique.

DECO GLASS

WHERE GLASS MEETS METAL

The Deco collection redefines elegance with its geometric shapes, enriched by refined colours and captivating mirror effects. The masterpiece from this collection has a distinct character, unified by a gently inward-curved edge. This design feature allows us to fully appreciate the play of colours and reflections that define the collection.
