# ABOUT INES MERCADAL

THE DESIGNER

THE ART OF HOSTING,  
SHARING AND  
REUNITING

Irreverent, a little eccentric, and absolutely joyful, the tableware collection by Ines Mercadal reflects the personality of its creator. Say good-bye china dishes, hello authentic ceramic with a twist. The designer finds inspiration in her technicolor imagination that is brimming with 70s prints, and by gazing at her collection of old books.
