ABOUT ORREFORS

COMBINING THE BEST OF SCANDINAVIAN DESIGN & GLASS CRAFTSMANSHIP

Orrefors has been established in Swedish design tradition since 1898, characterised by timeless aesthetics, functionality, craftsmanship and sustainable quality. Orrefors offers premium products designed by well-known designers for an audience interested in Scandinavian design. The glass and shape are always in focus, combined with elegance, simplicity and confidence. The very best designers now continue to enchant the world with the brilliance and beauty of glass.

ENSEMBLE

Ensemble by Orrefors is a series of two-part vases/containers from acclaimed British designer Benjamin Hubert. With a toned-down color scheme and minimalistic lines, they bring out the best in any flower constellation. Since the individual parts are interchangeable, you can choose exactly how to group and shape your Ensemble, inside and out.

SQUEEZE

The billowy shape of Squeeze from Orrefors looks different from different angles, depending on its placement. After the vase is blown, and while still hot, it is “squeezed” together by hand in two places. These “squeezes” form a cross inside the vase, which holds the flowers in place, making the vase well-suited for a variety of bouquets. Designed by Lena Bergström.
